PROFESSIONAL EXPERIENCE

Solva-REC

Montreal, Canada

Financial Data Analyst

Sept 2024 – June 2025

- Built and maintained internal profitability and cash flow forecasting models to assess the financial health of the company's core business lines, analyzing pricing, volume, and budget data.
- Authored analytical memos for senior management that identified early financial and operational risks, providing recommendations that directly supported internal capital allocation and strategic decisions ahead of quarterly reviews.
- Integrated Power BI dashboards with internal databases to automate real-time financial performance tracking and variance analysis.

Project Management Intern

Jun 2024 - Aug 2024

- Designed an interactive financial and operational reporting platform covering two production sites, improving visibility into budget adherence and efficiency metrics.
- Partnered directly with the CEO to iterate dashboard visualizations and align reporting with corporate strategic priorities.
- Collaborated with cross-functional teams in finance and operations to link production data with financial outcomes, strengthening cost-control and forecasting accuracy.

FORD

Istanbul, Turkey

After-sales Marketing Intern

June 2023 - Sept 2023

- Collaborated with insurance companies to launch an after-sales marketing campaign encouraging dealer service visits.
- Designed initiatives extending vehicle warranties for customers who serviced their cars at authorized dealers, boosting retention and strengthening dealer relationships.

Chimirec Groupe

Istanbul, Turkey

Finance Intern

April 2023 - June 2023

- Conducted variance analysis on quarterly financial statements against internal budgets, contributing to management reports that monitored the company's performance and cost-control initiatives.
- Authored a macroeconomic risk report for French headquarters, assessing the impact of Turkish inflation and FX volatility on future profitability and capital planning.

Bekaert

Istanbul, Turkey

Finance Intern

Jun 2019 - Aug 2019

- Assisted the finance team with inputting and validating financial data in SAP.
- Identified and flagged inconsistencies between financial records for review.
- Participated in quarterly budget review meetings and prepared an economic outlook report on Turkey, highlighting risks tied to political developments.

RESEARCH & ACADEMIC PROJECTS

ImiGoose

Montreal, Canada

Co-Founder

Jan 2025 - Present

- Authored and presented the investor pitch deck to venture capitalists and angel investors, articulating the venture's value proposition and financial projections.
- Spearheaded the business strategy, directing stakeholder relations and developing a comprehensive 5-year financial model to support capital raising.
- Negotiated with investors and executed the transaction to secure CAD 20,000 in initial seed funding from the [McGill Dobson](#) Incubator program.

CONUHACKS (Hackathon)

Montreal, Canada

- Developed [MTLranked](#), an AI-driven interactive neighborhood selection tool for newcomers to Montreal.

LEADERSHIP & CAMPUS INVOLVEMENT

NEOMA Finance Club (NFC)

Reims, France | October 2025 – Present
